FRANK B. FRANCIS  
... general manager

GEORGE L. HEATON  
... also promoted

**Rome Cable Promotes Local Men**

It was announced by Glenn Koger, Vice President of Rome Cable Corporation, that Frank B. Francis has been promoted to the position of General Manager of the firm's Torrance plant.

Mr. Francis, a native of Pennsylvania, graduated from Carnegie Institute of Technology in 1939 as a Metallurgical Engineer. He was employed by United States Steel Corporation and Republic Steel Corporation before joining the Rome Cable organization in March, 1947, as a Metallurgical Engineer and Plating Department Supervisor. On July 1, 1958, he was named Assistant General Manager.

Mr. Francis and his wife, Jeanne, together with their two sons, Donald and Thomas, reside at 4128 Via Picaposte in Palos Verdes Estates.

Concurrently, Mr. Koger announced the promotion of George L. Heaton from Plant Superintendent to General Superintendent of the Torrance plant. Mr. Heaton, a native of Montana, attended the University of Montana. He was employed by Union Carbide until 1944 when he entered the U. S. Air Corps, rising to the rank of Staff Sergeant.

Mr. Heaton joined Rome Cable in October, 1948, and served as foreman and production supervisor prior to being promoted to Plant Superintendent in July, 1956.

Mr. Heaton and his wife, Maureen, together with their son, George, Jr. reside at 1816 Calamar, Torrance. Another son, Warren, is at present serving with the U. S. Navy.

Mr. Koger has been transferred to Rome Cable Staff Headquarters at Rome, New York.

**Konya Group Nominates New Officers**

Members of the nominating committee for the Torrance cities to cities program met Monday evening at the home of Fred Spangler, committee member, to discuss the names before them for officers of the cities to cities committee.

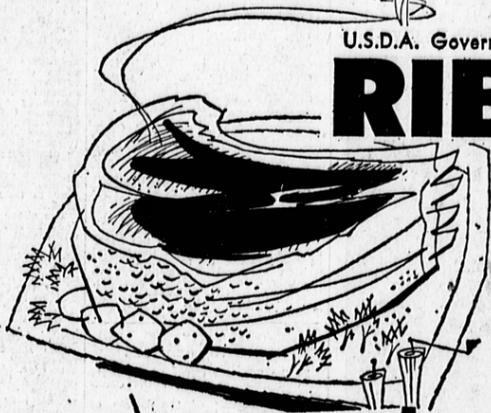

Members attending were: Naomi MeVey, chairman; Charles Deck, George Naylor, and Beverly Possum.

The nominating committee will select a slate of officers to present to the general committee at the next regular meeting. The Konya Day festivities are a part of the work of the committee. Other ideas presented so far this year include an Industrial Fair to be sent to Torrance's sister city, and cultural exchange programs.

Anyone having any suggestions is invited to contact the committee.
